About Us

Cool Tech Engineers was established in 2003 in Indore, Madhya Pradesh, India and soon became a trustworthy manufacturer, distributor and supplier of home appliances. We have earned our position in the market by supplying the best quality products with total quality assurance. Our range of product and services includes Healthcare HVAC Solutions, Evaporative Cooling, Exhaust And Ventilation, Hot Water Generator, Residential Segment, Office Segment, Hospitality Segment, and Cold Storage Segment. We are an authorized dealer of Blue Star Ltd., Desiccant Rotors International Pvt. Ltd. and PAHWA enterprise (known as Bryair Group) for their entire range of central AC systems, Room air conditioners, Cold storage, Water coolers and Purifiers, etc. Also, we are an eminent provider, rendering Repairing & Maintenance Service For Air conditioning.

Our goal has always been to provide our customers with products of top quality. For our services, we have established leadership in the field. We regularly provide services to customers for showrooms, restaurants, banks, hospitals, theatres, shopping malls, boutiques, etc. The firm is headed by Mr. Manish Thakkar (B.E. Mech.) having more than 20 years of experience in the industry and under his guidance; we have been able to achieve a huge success, over these many years.
